WIRELESS MICE

WIRELESS MICE

Manufacturer code: NMY-1874

Natec BLACKBIRD 2

- Ergonomic shape
- Wireless 2,4 GHz connection
- 3-level DPI switch
- Silent button switches
- Precise optical sensor
- Nano receiver storage

Natec Blackbird 2 is a wireless mouse with a modern design, high precision and an ergonomic shape that provides maximum comfort for everyday use.

Manufacturer code: NMY-1601

Natec EUPHONIE

- Ergonomic vertical shape
- Wireless 2,4GHz + BT 5,0 connection
- OLED Display
- 4-level DPI switch
- Precise optical sensor
- Built-in rechargeable battery 500 mAh

Natec Euphonie is one of the most modern vertical office mice designed for comfortable ergonomic work. Easy Switch technology allows you to pair two devices with the mouse simultaneously and switch seamlessly between them.

Manufacturer code: NMY-2048

Natec CRAKE 2

- Ergonomic vertical shape
- Wireless Triple Connection (2,4Ghz, BT 5,0, BT 3,0)
- Available in left-handed version
- 3-Level DPI Switch
- Precise optical sensor

Natec Crake 2 is a vertical mouse designed with ergonomics in mind. Its shape allows a healthy hand position, minimizing the risk of wrist pain and fatigue during long hours in front of the computer. Also available in a left-handed version.

Manufacturer code: NKA-1202

Natec FALCON

- Built-in rechargeable battery 500 mAh
- Wireless 2,4 GHz + BT 5,0 connection
- Triple mode communication
- 5-level DPI switch
- Smart energy saving
- 6 buttons

Natec Falcon is a wireless office mouse with a triple communication mode that will allow the mouse to connect to three devices at the same time. Natec Falcon is enriched with a thumb-operated side scroll for extremely efficient horizontal movement. Six additional function keys will allow you to personalise the keys to increase your productivity.

WIRELESS MICE

Manufacturer code: NMY-1963

Natec Harrier 2

- Ergonomic shape
- Precise optical sensor
- Durable and silent button switches
- Smart Energy saving
- 3-level DPI switch

Natec Harrier 2 is a wireless mouse with an optical sensor and ultra-quiet switches that will make your work comfortable as never before. Plus, you'll also appreciate the mouse's ergonomic shape and intelligent power management technology.

Manufacturer code: NMY-1688

Natec Osprey

- Ergonomic shape
- Precise optical sensor
- Wireless Triple Connection (2,4Ghz, BT 5,0, BT 3,0)
- Smart Energy saving
- 3-level DPI switch

Natec Osprey is a high-quality wireless mouse equipped with a triple communication mode. Its ergonomic shape and wide range of functionalities make it ideal for everyday work. The compact size and universal design will allow you to comfortably transport the device and fit it into any type of space.

Manufacturer code: NMY-1799

Natec Jay 2

- Ergonomic shape
- Precise optical sensor
- Wireless 2,4 GHz connection
- 3-level DPI switch

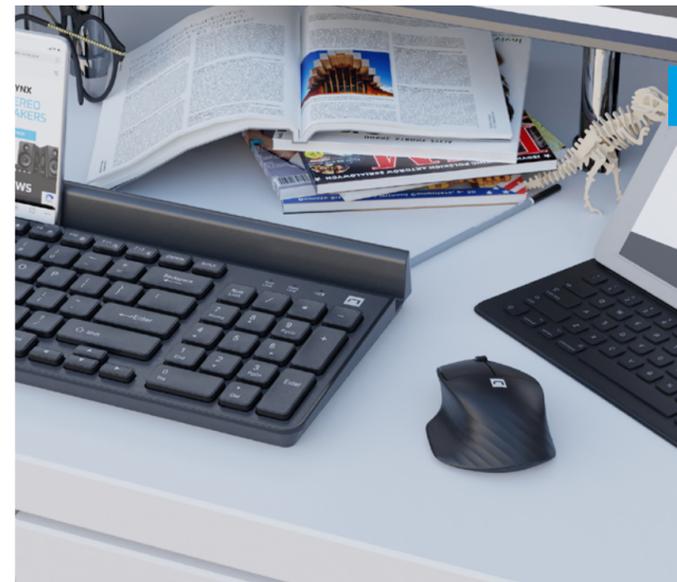

Natec Jay 2 is a high-quality mouse supporting reliable wireless technology. Its comfortable symmetrical shape will successfully fit both hands, making the device a comfortable alternative to a touchpad.

Manufacturer code: NMY-1970/1971/1972

Natec Siskin 2

- Ergonomic shape with thumb rest
- Precise optical sensor
- Triple Mode Communication
- 5 buttons (2 with silent switches)
- 3-level DPI switch

Natec Siskin is a wireless mouse that you can control up to 3 devices simultaneously. With a precision optical sensor, silent switches and intelligent power management technology to keep you going even longer.

WIRELESS MICE

Manufacturer code: NMY-2000/2001/2002/2188

Natec Stork

Compact size

Precise optical sensor

Wireless 2,4 GHz connection

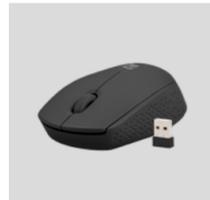

Smart Energy saving

3-level DPI switch

Natec Stork is a wireless mouse, with an ergonomic shape that fits perfectly in your hand. The optical sensor and the possibility to adjust the DPI will make your work much more comfortable. The mouse is available in 4 colour versions.

Manufacturer code: NMY-1650/1651/1652

Natec Toucan

Ergonomic shape

Precise optical sensor

Wireless 2,4 GHz connection

Nano receiver storage

Natec Toucan is a wireless mouse that will take away your limitations. Its ergonomic shape ensures a natural positioning of the hand and guarantees full comfort while working every day. The mouse is compact and fits easily into any bag.

WIRED MICE

WIRED MICE

Manufacturer code: NMY-1185

Natec Hawk

- Ergonomic shape
- Durable button switches
- Light weight
- Precise laser sensor
- Durable USB cable

Natec Hawk is a precise wired laser mouse, a shape adapted to both hands and switches with a long life cycle.

Manufacturer code: NMY-2047

Natec Pigeon 2

- Ergonomic shape with rubber scroll and side handles
- Precise optical sensor (up to 4000dpi)
- Durable button switches
- 4-level DPI switch

Natec Pigeon is a compact wired mouse that will appeal not only to those in need of office equipment, but also to lovers of the occasional video game.

Manufacturer code: NMY-1798

Natec Hoopoe 2

- Ergonomic shape
- Durable button switches
- 3-level DPI switch
- Precise optical sensor

Natec Hoopoe is a functional wired mouse with a symmetrical design and a modern look. The deep and versatile black design will fit perfectly into any workstation, while the grooves on the sides guarantee a secure grip.

Manufacturer code: NMY-1987/1988

Natec Ruff 2

- Ergonomic shape
- Precise optical sensor
- Durable button switches
- Flexible cable

Natec Ruff 2 is a wired mouse that will allow you to operate your computer efficiently and work comfortably for hours.

WIRED MICE

Manufacturer code: NMY-2021

Natec Ruff Plus

Ergonomic shape

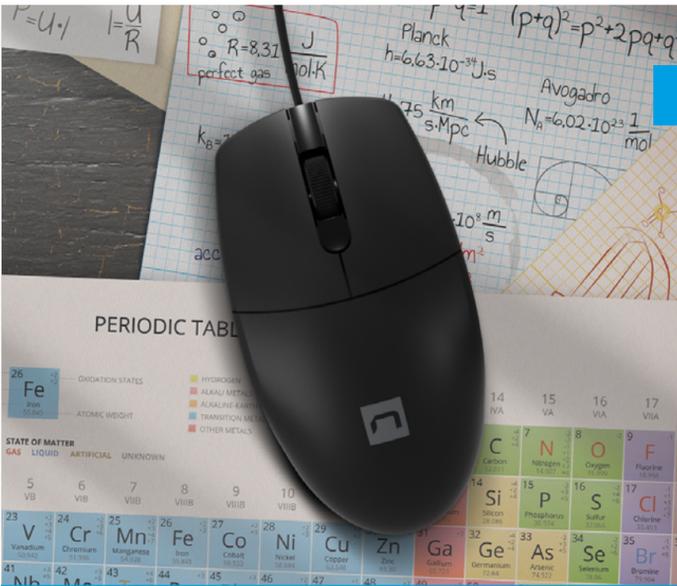

Precise optical sensor

Durable button switches

Flexible cable

Natec Ruff Plus is a wired mouse that will allow you to operate your computer efficiently and work comfortably for hours. Its symmetrical shape will make it ideal for the hand of both right- and left-handed users.

Manufacturer code: NMY-1983

Natec VIREO 2

Ergonomic shape

Precise optical sensor

Durable button switches

Durable USB cable

Natec Vireo 2 is an ergonomically shaped mouse which will help you work even more efficiently. High-durability switches, three buttons and low weight will take care of that.

Manufacturer code: NMY-2020

Natec Snipe

Ergonomic shape

Precise optical sensor

Durable button switches

Natec Snipe is a compact mouse model with a 1200 DPI optical sensor, a well-designed shape and a cable measuring 180 cm.

MOUSE PADS

MOUSE PADS

Manufacturer code: NPF-1432

Natec Apples

-  Dimensions: 220 x 180 mm
-  Top layer made of smooth fabric
-  Anti-slip bottom layer
-  Printed image

Natec Apples is a high-quality mouse pad that allows your device to move smoothly on the surface. The beautiful photographs will perfectly complement your workstation.

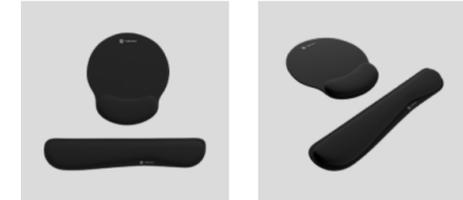

Manufacturer code: NPF-2195

Natec CHIPMUNK 2 IN 1 ERGONOMIC SET

-  Dimensions (Mouse-pad): 250 x 230 mm
-  Top layer made of smooth fabric
-  Dimensions (Wrist rest): 250 x 230 mm
-  Anti-slip bottom layer
